

# HEALTHY WEALTHY & WISE TOUR

2 - 9 March 2013

The Natural Wellness Revolution is just beginning. Learn how to stay 'well' using nature as your medicine. DO NOT miss this golden opportunity to learn from the experts, all the way from the USA. What you learn will literally change your future.

## DAVE Balzer

International Healthcare & Wellness Technology Consultant

With extensive experience in high-end wellness technology research and development, Dave explains nature's vital energy evolution. Learn why it works. Understand the long-term benefits. Discover how to stay well, using nature. Plus, much more.

## MAC McDonald

Col. USAF (retired),  
Inspirational Success Coach

Experienced international problem solver and mentor. Mac explains how to succeed in the New World Economy. A must know for personal and professional success.

## PAT Terry

Registered Nurse, Int'l Wellness Speaker

At 39, facing life threatening issues, Pat turned to nature for help. What she experienced was remarkable and saved her life. Sharing her story worldwide, she has changed thousands of lives.
